**VERTICAL UNITS NEW PACKAGING  
FOR SHIPPING**

February 2025

## NEW PACKAGING SPORTARREDO VERTICAL UNITS VEGA - February 2025

We are pleased to inform you that **we have designed a new packaging for the vertical units** Vega to **optimize space and reduce as much as possible wasting materials and shipping costs**. The units will be shipped positioned vertically rather than horizontally (for example, in a 20' container with the new packaging can be accommodated no. 8 Vega instead of no. 5 Vega).

the 3 columns are in the taller package

Basement and top are in the smaller package
